

Founded in 2002, O.S. Energy is a privately held specialised offshore service provider providing vital services for projects and Windfarms in both North- and Baltic Seas. O.S. Energy is proud owner of a group owned fleet of six multipurpose survey vessels under Danish, German, Norwegian and UK flag.

We are currently looking for certified Cooks with to strengthen our crew onboard our British flagged vessel.

You should be in possession of all relevant certificates acc. to STCW and National Regulation and have experience in working onboard smaller vessels.

What you offer:

- Flexibility;
- Teamwork and cooperation;
- Varied menus for up to 20 days of continuous sailing, vegetarian and vegan options;
- Cost effective victualling and high quality standards.
- A keen eye for our customers dietary needs and preferences;
- Experience in working on smaller vessels;
- British passport or working permit;
- European driving license (Class B).

What we offer:

- British employment contracts and a competitive salary;
- Opportunities to shape your workplace and environment to your preferences and the possibility to take part in the decision-making processes onboard.
- A fleet of specialised survey vessels for deployment in Offshore Wind and Offshore Oil & Gas, versatile assignments and the possibility to take part in providing and developing customised solutions for vessel and crew in an emerging market;
- Vocational training and the opportunity to collect necessary seagoing time according to STCW regulation.

Could we pique your interest? Please send your current CV and covering letter to our Crewing Department at:
