

We are looking for help in our Crewing department in full or part time employment.

With a fleet of seven specialised service vessels under Danish, German, British and Norwegian flag, family-owned shipping company O.S. Energy successfully offers services in all Offshore fields such as maintenance, measurement- and ecological surveys for more than 20 years.

Your responsibilities:

- Recruiting and management of applications
- Creation and administration for contracts, testimonials and other documents
- Disposition and planning of Crew deployments and assignments
- Direct communication with Officers and Crew
- Personnel development and career planning

What you offer:

- Successful commercial apprenticeship or a degree in economics specialising in personnel management / HR or maritime studies.
- Several years of experience in personnel management / HR or Crewing
- Excellent organisational skills
- Reliable, strategic way of working and a sense of responsibility
- Good interpersonal and communicational skills in German and English (further language skills desirable)
- Confident handling of Microsoft Office
- Self-initiative, flexibility, commitment and teamwork

What we offer:

- Permanent employment
- A multifaceted, exciting job with a high degree of responsibility;
- Possibilities for further career development
- Work from home
- An international team and flat hierarchies;
- 30 days paid annual vacation
- Offices in Glückstadt or Flensburg.

Could we pique your interest? Please send your CV and cover letter to our Crewing department at:
