

## **We are currently looking to employ Nautical watchkeeping Officers to strengthen our crews onboard**

With a fleet of seven specialized service vessels under Danish, German, British and Norwegian flag, family-owned shipping company O.S. Energy successfully offers various specialised services in all Offshore fields such as maintenance and ecological surveys for more than 20 years.

### **What you offer:**

- A valid Certificate of Competence acc to. STCW [II/2; II/3]
- Flexibility;
- Teamwork and cooperation;
- A structured, independent approach to work and motivation to broaden your horizon and actively take part in shaping and developing your workplace- and environment;
- Fluent English, both spoken and written, Danish skills preferable;
- Technical aptitude and manual skills;
- Comfortable use of MS-Office and motivation to use and improve our digital Fleet Management system;
- European drivers license (Class B)

### **What we offer:**

- European contracts (1on/1off) with usual deployment of no more than 4 weeks on end;
- Trading area in North- and Baltic Seas with an experienced crew onboard our specialised service vessels under European flags (German, Danish, Norwegian);
- Competitive wages and opportunities for promotion;
- Paid vocational training and courses;
- A young team with direct contacts onshore;
- Versatile work in Offshore Wind- and Offshore Oil/Gas, direct contact to customers and partners onboard.
- The opportunity to take part in project specific remodeling and newbuilding of equipment together with our team at land and on sea .
